

Young Aphasia Communication Club (Y.A.C.C.)

"Rehab is done, but I still have trouble communicating."

Y.A.C.C. provides a great opportunity to continue to improve your communication skills, while meeting others who are facing the same daily challenges.

"Numbers, spelling, word finding, ugh!"

JOIN US EACH MONTH
Severna Park Library
45 McKinsey Road
2nd Wednesday of the month • 6:00 p.m.
(except June, July, August)

"I love to read, but I can't follow the story anymore."

"My kids need help with their homework, but I just can't make sense of it anymore."

Come re-shape your future!

For more information,
call Judy at
301-520-9044
email: yacc@mypcguy.us.com

Y.A.C.C. was developed by two women, a mother and sales professional who has been living with aphasia for two years, and a speech pathologist who works with individuals with aphasia.
